

April 4, 1927

I hereby veto Senate Bill Number 55, being "An Act amending Sections 7, 10 and 29 of Chapter 172, of the General Laws of the Regular Session of the 39th Legislature so as to better provide for protection of Game, and providing in a more adequate manner for limits of game or wild birds and animals that may be taken, killed, or possessed; providing for hunting licenses in this State; enacting proper provisions for the protection of wild female deer, wild fawn deer and wild buck deer; defining the necessary offenses and prescribing penalties to carry out the provisions of this Act; providing for proper fees of officers and all things incidental to the main purposes of this Act; and declaring an emergency."

Section 29 of this Act provides for a license of two (\$2.00) dollars which shall authorize the person procuring such hunting license to hunt in any county of this State. The same section provides: "that no resident citizen of this State shall hunt with a gun outside the county of his residence without first having procured * * * a license to hunt for which he shall pay * * * the sum of two dollars and fifteen cents (\$2.15).

As the bill is written there is a conflict, one sentence fixing the license fee at two dollars and another sentence in the same section fixing the license fee at two dollars and fifteen cents. This matter can be corrected at another session of the Legislature; and because of the confusion that would arise I veto this bill.

GOVERNOR OF TEXAS.
